

American River Girls Softball Association (ARGSA), registered as Orangevale Girls Softball Association, is a non-profit organization seeking businesses, committed to our community, to support our girls' softball league. ARGSA offers a positive environment to foster self-confidence, sportsmanship, fundamentals and teamwork that will help our players reach their athletic goals. The association is composed of a group of committed coaches, parents, and volunteers working together to support between 250 and 300 local female athletes from ages four to sixteen years old. ARGSA's mission is to develop athletes who will become good leaders, students and team players.

Your tax-deductible sponsorship will help to offset the cost of field maintenance, equipment, uniforms, insurance, awards, and umpires. In addition, ARGSA may provide scholarships to young athletes, providing an opportunity that they might not otherwise have to participate in organized youth sports. Listed below are recommended levels of sponsorship or we can customize an amount for you. Please review and select the level that best suits your needs and then simply contact our league as indicated below. Thank you in advance for your welcome and appreciated contribution. The benefits to our area's youth are priceless.
