

Dear Parents and Players,

Congratulations! Your child has been nominated to try out for the 2026 All-Star team. Each team will consist of 12-14 players. There is no expectation of play time. However, generally players should expect to play equivalent to one game per tournament. Play time is determined by the coaching staff and typically a direct reflection of an individual's talent, effort and attitude on and off the field.

Please do not plan vacations during the All-Star season. Managers will have the option to dismiss a player for lack of attendance. Players will have at least three practices during the week and play in four weekend-long tournaments. Typically, tournaments are 2-4 games a day, Sunday is an elimination bracket, win or go home.

The cost of All-Stars will be approximately \$300. The cost will cover jerseys and tournament fees. If a team qualifies and chooses to play Nationals the cost for traveling/attending will be an extra cost.

All-Star tryouts will be May 3<sup>th</sup> at Oakview Elementary School.

10U and 14U 9:00-12:00

8U and 12U 12:30-3:30
