

List of Equipment required:

Helmet with Face Mask must have the NOCSAE symbol on it. Chin straps are no longer required. If player is using a chinstrap, it must fit securely under the player's chin.

Glove/Mitt

Molded, Plastic Cleats— Softball or Soccer
(No metal cleats unless playing in 14U/16U)

Face Mask is recommended for all players on the field. It is strongly recommended for pitchers and infielders.

Softball Bat (optional) must have one of the following symbols and not be listed on the USA Softball Non-approved Bat List.

Please reach out to your Manager or Coach with any questions.
